This estate came to life in 2002 when a group of wine lovers joined forces with the ambition of producing gastronomic, terroir driven wines that showed the intricacies and nuances of the district of Gualtallary in Mendoza's Uco Valley. Such has been the rise of Finca Ambrosia's reputation that, as well as producing their own signature wines, their fruit has now become some of the most sought after in the region. 100% Chardonnay, 50% fermented in French oak barrels and 50% in concrete egg, both with native yeasts before a further 9 months barrel-ageing, this is a wonderful example of balanced, food-friendly, high altitude Chardonnay with a lot's of finesse.

Gran Malbec, Luna Llena, Finca Ambrosia, 2018, Argentina

glass

It is well known by scientists and ancient growers the influence the moon has in life, in all the events in which gravity and liquids are involved. Grape growing practices and winemaking are also induced by it, especially when it is full. The grapes for Luna Llena Gran Malbec were harvested during a full moon night to make the most of this influence. A Malbec with an intense red color with violet highlights. The bouquet shows intense aromas of red fruit with smoky notes of mint, spices, thyme, graphite and licorice. The palate shows great concentration of fruit, mineral character and well-marked tannins. Long and persistent on the finish. As ever, it is quality of the fruit that defines the concentration and finish on this wine.
